PERSONAL STATEMENT

Please provide a personal statement outlining your reasons for seeking admission to a Service Academy. Your personal statement, combined with your application and all other official records and documentation, will provide my Service Academy Review Board with the most complete information to determine your suitability for an academy nomination.

Your statement should reflect **YOUR OWN BELIEFS and CONVICTIONS**, not just what you think someone else might want to hear. Your response should discuss your **motivation to serve your country, your personal goals and objectives, and how you plan to achieve these goals**. Please also address **why the Academy should select you** rather than an applicant with similar qualifications.

Although the **CONTENT** of your answers is of greatest importance, grammar, spelling, punctuation and writing style will also be considered.

Please limit your answers to 300 words or less. (Please feel free to use this space or another sheet of paper.)

In addition, please submit up to **THREE** letters of recommendation from **people who know you well** and can speak to your fitness for service in the federal academies.
