Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Mashpee Wampanoag Tribe Community Center Improvements project in Fiscal Year 2027. The entity to receive funding for this project is the Mashpee Wampanoag Tribe, located at 438 Great Neck Road South, Mashpee, MA 02649. The funds will be used by the Mashpee Wampanoag Tribe to repair and improve their aging tribal center by replacing a faulty HVAC system and remediating any mold that resulted from the faulty system, repairing the roof of the center, replacing the generator system that is used when the center is activated as an emergency shelter, parking lot improvements, and a number of other small repairs to the facility. This project is an appropriate use of taxpayer funds because it serves the Tribal community who are among the 9th District's most at-need residents for the social services provided within the center as well as the community at large when activated as a storm shelter.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
WILLIAM R. KEATING
