Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Nantucket for Surfside Wastewater Treatment Facility Improvements Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Nantucket located at 16 Broad Street, Nantucket, MA 02554. The funding would be used by the Town of Nantucket to repair and prevent further damage to the sewer beds at the Surfside Wastewater Treatment Facility which originally were 400 feet from the ocean and are now only 150 feet away due to erosion. Seawater inundation of the existing sewer beds renders them unusable. This project appears in the Commonwealth of Massachusetts 2026 Intended Use Plan for Clean Water. This project is a valuable use of taxpayer funds because it protects the municipal wastewater treatment plant for 60% of Nantucket residents and supports public health, environmental quality, and essential services for the residents who reside there.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

WILLIAM R. KEATING
Member of Congress
