Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Scituate for North Scituate Sewer Expansion Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Scituate located at 600 Chief Justice Cushing Highway, Scituate, MA 02066. The funding would be used by the Town of Scituate to expand wastewater service to the business district of North Scituate which will allow for the creation of approximately 428 new transit-oriented housing units, including affordable units. This project appears in the Commonwealth of Massachusetts 2026 Intended Use Plan for the Clean Water STAG This project is a valuable use of taxpayer funds because it will create affordable housing units, revitalize the downtown of North Scituate, and help to mitigate the housing crisis that exists in the Commonwealth through creating opportunities for private development of new housing stock.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

WILLIAM R. KEATING
Member of Congress
